

Name of the Initiative: Workshop on ‘Cyber Crime and Safety of Women’

Category of Capacity Building Programme: ICT

Date of Organization: 11.10. 2018

Venue: Raniganj Girls’ College

Resource Person: Green Club of Raniganj and Asansol Women Police Station, Asansol Durgapur Police Commissionerate, Asansol

Focus: It has often been found that learners using mobile phones and other ICT devices install different types of apps and are very active on social networking platforms. However their ignorance about modern technology make them victims of cyber-crime which in turn jeopardize their personal safety and security

Total number of student participants = 492
