All colleges/institutes affiliated with Kazi Nazrul University

Sub: Regarding students enrolled in the 4-Year Undergraduate degree programme who have not passed one or more course(s) within three consecutive chances (including the regular examination)

Sir/Madam,

This is to inform all concerned that, before allowing a student to proceed to the 7th Semester, the provisions of **UG Regulation 11.8** of the **Regulations relating to Undergraduate Courses of Study and Examinations under CCFUP** must be verified.

UG Reg 11: Eligibility to appear in the Examination and Examination Details:

11.8. *A student failing to get pass marks in one or more course(s) in Semester Examinations shall be permitted to re-appear in that course(s) in respective semester examinations within 2 (Two) consecutive chances irrespective of availing/not availing any particular chance. A student failing to appear in a semester examination of a course or of a part of the course may reappear in that course or in the part of the course in the respective semester examination(s) within two consecutive chances. If a student wishes to skip examination in a semester it would be included in the total three chances (including the regular). Students who skip 1st/2nd Semester Examination will be eligible to clear those course(s) in the respective Semester Examinations of subsequent years (i.e. 1st Semester with the 1st Semester of the subsequent year, 2nd Semester with the 2nd Semester of the subsequent year and so on).*

According to UG Regulation 11.8:

- The first (regular) examination is the initial chance.
- If the student fails or is absent, they are permitted two additional consecutive chances to clear that course.
- Skipping an examination also counts as one of the three chances.
- The three chances must be consecutive, regardless of whether the student actually appears in each attempt.
- For courses in the 1st and 2nd semesters, the corresponding supplementary opportunities occur when those semester examinations are held in the following academic years (e.g., 1st Semester with the next year's 1st Semester examination).

Therefore, before permitting a student to enroll in or appear for the 7th semester, the college should verify whether the student has exhausted all three consecutive chances for any backlog course. If the student has not passed a course within those three consecutive chances, they are not eligible to continue under the provisions of **Regulation 11.8**.
